### COVID-19 Home School Agreement September 2020

In order to ensure the safety of all of our children, staff and the wider community we request that all parents sign to say that they agree to the points below, that relate specifically to COVID-19.

#### To help my child at school, I know and understand that:

- ✓ If my child is in the clinically extremely vulnerable category and remains under the care of a specialist professional, I will need to discuss their care with them before returning to school in September (usually at their next planned clinical appointment) and ensure that school is made aware of any advice for a risk assessment to be completed.
- ✓ If my child, or anyone in my household shows symptoms of COVID-19 I will let school know as soon as possible. I will not send my child to school. We will self-isolate for 14 days as a family, I will get my child tested <https://www.gov.uk/get-coronavirus-test> I will let school know the outcome of the test, as soon as possible, via telephone.

- ✓ When dropping off and collecting my child from school, I will adhere to the 2 metre social distancing rules and I will bring no additional adults with me. I will be punctual and adhere to the adjusted school timings for my child.
- ✓ I will only use public transport if absolutely necessary and follow Government guidance.
- ✓ My child must not bring any stationary items or books from home into school.
- ✓ My child must only bring a water bottle and lunch box into school.
